MEMBERSHIP CAMPAIGN OF FARM BUREAU IS POSTPONED

DRIVE FOR MEMBERSHIP IN PUTNAM COUNTY WILL NOT START UNTIL AFTER THE FIRST OF THE YEAR—ORIGINAL DATES WERE DECEMBER 20 AND 21

The drive for membership in the Putnam county farm bureau, which was to have been December 20 and 21, has been postponed until after the first of the year, according to an announcement today by County Agent Harold McNary.

It was found inadvisable to make

the drive, which will be under the direction of the state organization, at this time because of the fact that the farmers are too busy with farm duties and Christmas plans to give their time to the drive work.

The new drive date will probably be early in the new year.

DEPAUW WINS FROM ILLINI IN THRILLER

TIGERS BATTLE TO VICTORY AFTER TWO OVERTIME PERIODS—TIMELY SHOTS BY WHITE AND WILLS GIVES VERDICT TO GREENCASTLE TOSSERS

URBANA, Ill., Dec. 12.—DePauw's speedy basketball team took the measure of Illinois here tonight in one of the most sensational games ever played on a local floor winning by a 29 to 28 score after two nerve-racking overtime periods. The Tigers of Greencastle played great basketball throughout the game and would have won in regulation time had they not committed fouls at inopportune times.

DePauw played a superb defensive game and it was not until the first half was nearly over that the Illini could score from the field. The Illinois offensive then hit up a faster pace in the second half and by taking advantage of DePauw fouls and sinking a few field goals, gained the lead near the finish. Just before the final gun, however, White, star DePauw forward shot a basket from the center of the floor and the score was tied, 23 to 23 at the finish of regulation time.

White Scores Again
White repeated the performance in the first overtime period but Stillwell stayed off defeat for Illinois a little longer by shooting a field goal with very little time remaining. The five-minute period ended with the score 25 to 25.

Then came another overtime period. Both teams rushed into a mad offensive and Illinois gained an advantage on Stillwell's field basket. DePauw was not to be held down however, for White connected twice from the foul line and Wills scored from the field to place his team two points in front. Illinois's best efforts during the remainder of time netted only one free throw by Helsing and the battle ended with DePauw a 29-to-28 victor.

Late in the game Illinois kept a stream of fresh players going into the lineup, but the tireless Tigers met every new combination with a courageous defense and a swift baffling attack.

Lineup and Summary
DePauw (29) Illinois (28)
White Forward Roettger
Laughlin Forward Potter
Johnson Center Stillwell
Hirt Guard Lippe
Irwin Guard Hopkins
Substitutions—(DePauw) Miller for White, Wills for Johnson, Roe for Irwin; (Illinois) Broderick for Roettger, Roettger for Stillwell, Helsing for Potter, Pattison for Lippe.
Field goals—White, 6; Laughlin, 2; Johnson, 3; Wills, 2; Broderick, 2; Potter, 2; Stillwell, 4; Popken, 3. Free throws—White, 3; Laughlin, 2; Roettger, 4; Potter, Popken, Pattison Helsing.

The High School Parent Teachers Association will meet Monday Dec. 17th in the High School Auditorium. The program as planned is of such importance that the committee extends an invitation to attend to every parent of Greencastle and surrounding community. The program will be published later.

Miss Lena May Southard, a teacher in the Indianapolis public schools for the last twenty-seven years, died Monday night at St. Vincent's Hospital from injuries received as a result of being struck by an automobile at Parke avenue and Twenty-third street. (Indianapolis Star)

Miss Southard was a distant relative of Charles Southard and Miss Lillian Southard of Greencastle. Her grand father was the first treasurer of Asbury College, now DePauw University.

The condition of Jerome Austin, 10 year old pupil of the Mary Emma Jones school, who was seriously injured in an accident, Tuesday afternoon, when the machine in which he was riding was struck by a loose cot of coal cars on the Old Big Four switch, in north Greencastle, is still critical.

He had a high fever of 105 Wednesday, but it abated slightly Wednesday night, and his chances for recovery are slightly improved. His brother Noble, age 14, who was badly injured in the same accident is considerably improved. He is not as seriously injured as was at first believed. Both lads are in the Putnam County Hospital. Three others, who were in the same accident are convalescing at their home.

Thomas Hunter, taxi-driver, who was tried before Squire Robert Newgent, Wednesday afternoon, on a charge of intoxication, was found not guilty.

Mrs. A. J. Knoll, is still seriously ill at her home on north Madison street. She has been ill for some time. She is the mother of County Auditor, Ralph Knoll.

NO SPECIAL CAR FOR THE GREENCASTLE-COLUMBUS GAME

Because the required number of tickets which must be sold in order to charter a special car, were not sold, there will not be a special car to the Greencastle-Columbus basketball game, to be played at Columbus, Friday night.

Coach Rhea and his team will leave for Columbus Friday afternoon at 1 o'clock.

ROB SCHOOL HOUSE OF A VICTROLA

PETTY THIEVES TAKE MACHINE AND RECORDS, WHICH WERE PURCHASED BY THE SCHOOL CHILDREN, FROM A WASHINGTON TOWNSHIP SCHOOL

Some thieves stole a Victrola, from the school house in Washington township, taught by Fred Harris Monday night. The Victrola and records were all that were taken.

The theft of Phonographs from school houses, has been going on in Clay County for some time and practically every school house in that county has been robbed of its phonograph. Evidently the thieves are changing their scene of operations, to Putnam County, now that they have cleaned out Clay county. It is the first one that has been reported stolen in this county.

People living across the road from the school in Washington township, saw the thieves drive up behind the school building, but were afraid to investigate.

The Victrolas, are bought with money raised by the school children, themselves for their own amusement.

TIGER CUBS WORK HARD FOR GAME WITH COLUMBUS

COACH RHEA IS PUTTING THE G. H. S. SQUAD THROUGH STRENUOUS PRACTICE FOR FRIDAY NIGHT GAME—ABANDON SPECIAL CAR PLANS

Ending today what has been a hard weeks practice the Tiger Cubs, the fighting Greencastle High School basketball team are all set for its battle with the Columbus High school team at Columbus, Friday night.

Coach Rhea, has been drilling his squad all week, trying to get a smooth working combination, that will puzzle the Columbus netters and make them play hard to win from the locals.

Long hours have been spent, trying to perfect the basket shooting of the squad which seems to be the weakest point of the Tiger Cubs. With accurate basket shooting and smooth teamwork the Greencastle team should make the Columbus squad fight hard to hand it a defeat. Tate and Duncan, probably will start at the forward positions with Ader at center, and Wright and Young as guards. Schmidt, William and Masten probably will accompany the team as substitutes.

Although several rooters are expected to accompany the team, the special car that was to have been run, if enough tickets were sold to make it possible, probably will not be engaged as only a few tickets have been pledged. Greencastle will be behind its team in spirit, if not in person, Friday night when it faces Columbus squad, and will be anxiously awaiting the returns of the game.

Slight damage was done to the home of Milton Clebusch, on Higert street, near the Barnaby Lumber Mill in north Greencastle, early Thursday morning, when the paper on the wall of his home, caught fire from an overheated heating stove. Although the Fire Department was called to the scene, neighbors had extinguished the blaze before it arrived.

FRESHMEN GIVE \$28,363 TO THE ENDOWMENT

MISS HELEN WEST, DAUGHTER OF ROY WEST, OF CHICAGO, MAKES LARGEST SINGLE GIFT OF \$1,000

DePauw university centered its endowment campaign upon the freshman class Wednesday and obtained pledges totaling \$28,363. The largest single gift was \$1,000 made by Miss Helen West, a first year coed, the daughter of Roy West of Chicago, a university trustee.

The freshman drive opened with a special chapel exercise. Solicitations were made throughout the day by student teams. The day's campaign ended with a banquet at night at which the following were speakers: C. H. Barnaby, Greencastle university trustee; A. G. Brown, president of the Greencastle First National bank; Prof. S. B. Town, Judge James P. Hughes, Prof. W. M. Blanchard, Henry McLean, assistant to the president and W. D. Gresham, director of the drive.

DePauw is making a campaign for a \$1,000,000 endowment. Of this amount \$250,000 will be given by the Rockefeller foundation if the university raises \$750,000 in pledges by Jan. 1, 1924. It is understood that about \$200,000 needed to reach the goal. Pledges are being received daily from alumni. President Grose, who has been on a tour among prominent alumni, will be here Thursday and is expected to announce a number of large gifts.
